

What people say about Todd Beck

excerpted from
www.linkedin.com/in/toddbeck

"Todd is **one of the most analytical, capable individuals** that I have encountered."

Mary Miller, VP Prof Services

"Todd was the best all-around employee that I ever had. He is bright, **a strategic thinker, an innovative marketeer**, hard-working, honest as the day is long, and has a great sense of humor."

Kathleen Boyd, Mng Director

"Todd was one of the best employees I have had the good fortune to 'supervise.' Todd headed the Product Development department with an intelligent and logical style [that] **improved product in spite of** massive budget cuts, changing corporate direction, and sweeping reorganization."

Diane Schad, Staff VP

"When it comes to product management and customer service, Todd has **reached the level of guru!**"

Scott Kingsley, VP Solution Dev

"Todd [has] a **unique ability to look at complex problems holistically**, provide context and straight forward solutions."

John Hunter, Exec Director

"Todd goes as far as to **spot areas for improvement and train my team** on how to better manage their projects."

Eva Bender, Global Dir

"Todd steers through complexity, tedium and challenge with **cheerfulness, humor and positive tenacity.**"

Bonnie Wenk, Principal

"He **easily reads people and situations.**"

Donna Toups, Services Manager

"I have found Todd to be 'the go to person' if you want something done that is **logical, streamlined to improve process, and gets the job done.**"

Jeanie Bress, RVP Sales

"**A joy to work with.**"

Katleen Richardson, CMO

"Todd is creative. Anyone who wants **a different perspective or help in breaking out of same old same old** can expect great help from Todd."

Marcia Dolby, VP Marketing

"Todd possesses **genius-like curiosity** and problem-solving."

DeDe Parker-Todd, Solution Arch

"Todd **works at warp speed.** He brings a great balance of strategic thinking and tactical execution."

Laura Bernstein, President/CEO

"**Definitely not one to wait around and hope** that people figure out by themselves that they need what he has to sell."

Roy Magee, RVP Greater China

"Todd is a team player and takes an interest in all aspects of the business operation to enable him to **make sound business decisions about investments.**"

Sharon Daniels, President/CEO

"Todd (has an) **acute sense of business acumen.**"

Patti McLarty, RVP Sales

"Not only does Todd disseminate this information to the right groups, but crucially, he provides his own perspective, thus **helping establish and maintain the organization's thought leadership.**"

Michelle Bonterre, VP Marketing

"I have rarely worked with anyone who is as **committed to pleasing his client.**"

Darlene Coker, Owner

"Todd always impressed me with his **ability to write and communicate well.**"

Kim Cook, Content Manager

"Todd is not afraid of change and **can help other people get there too.**"

Jim Wilcox, Faculty Manager

"He is able to **anticipate obstacles and break down problems** into manageable pieces that can be addressed in a coherent process."

Kieran Beer, Chief Analyst

"Todd...really resonated with people. **He is a great leader.**"

Bill Lumani, CHRO

"His ability to quickly provide feedback, or **ask meaningful questions about something he's only seen moments ago**, illustrates just how sharp he is."

Ron Myers, Sr Mgr Prod Dev

"He **provides just the right amount of direction** without squashing creativity."

Heather Carroll, Spv Instr Design

"I particularly appreciated his willingness to roll up his sleeves and **tackle challenges alongside his team.**"

Michelle Rance, Spv Instr Design

"For Todd, problems are there to be solved, and **nothing is ever too hard.**"

Angela Salter, CPO

"Known for his transparency and **ability to break down big problems into manageable steps.** An engineer at heart."

Shilpa Arora, Sr Director
